Mercenfeld Primary School

Welcome from the Head Teacher

I joined Mercenfeld Primary School in August 2020 from another school within the Trust. As a team we are working together to develop the school and are currently on a very exciting collective journey. Many things are currently work in progress and we are excited to share our vision and what we have achieved already with like-minded individuals who feel they can commit to the next stage of the school's development.

The whole school is working hard to provide an excellent education to our pupils whilst also ensuring that pupils, staff and the wider school community are safe. Organisation is key to running a safe and efficient school and we have that in abundance!

Over the summer, the whole team pulled together to develop spacious, welcoming and tidy areas that are conducive to learning. We are focussed on providing a professional and happy environment for our pupils and our staff, therefore we have revamped and redecorated areas of the school including the staffroom recently.

Why the staffroom you may ask? Since August 2020, we have worked to bring about changes to the school which has included providing staff with welcoming space to relax in during break times throughout the day! The school can only achieve all the exciting things we have planned our team feel valued.

I look forward to meeting you.
